ATTN: Bob Watters

Dear Mr. Watters:

We would like to let you know that we are extremely pleased with the roof installation that was done at our home. Your price was competitive compared to other roofing estimates that we obtained but the value of your product and the quality of the installation made your product stand out when we made our selection.

We appreciate your honesty and your knowledge of the roofing industry which helped us make our decision. We were impressed at how hard working all of your employees were and their dedication to get the job done as promised. We commend your long hours that you devote to your business and were quite impressed when you stopped by several times at our home to check the status of the job.

Please have any of your potential customers contact us if they have any questions.

Sincerely,

Joe and Rita Fong
