Dear Bob

We want to tell you how pleased we are with the SRS tile roof your company recently installed on our home. Your impressive educational presentation answered all of our questions, and you did exactly what you said you would do. The work was performed with minimal interruption to our lives and the result is great. Your crew was prompt, courteous and tidy.

We are extremely satisfied customers. We will recommend your company to anyone who asks. We love our roof!

Caron and Lynn Poole
